

# Construction and Demolition Debris (CDD)

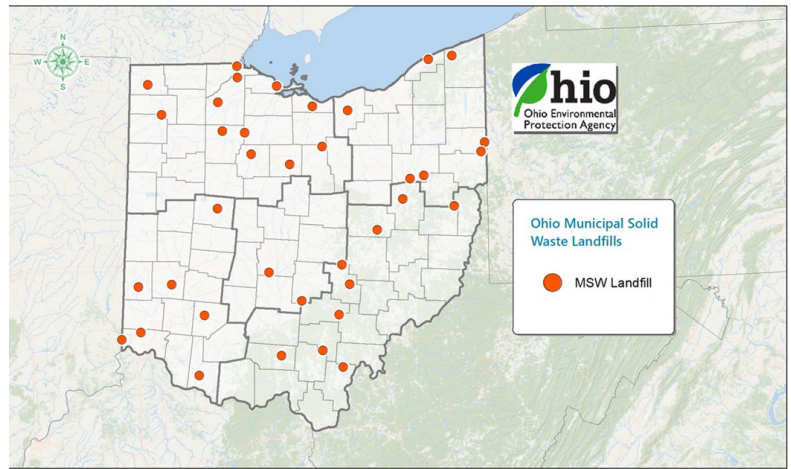

## Landfill Disposal Facilities

### Perry County, Ohio Municipal Solid Waste Landfills

Tunnel Hill Reclamation LLC Landfill – New Lexington, OH  
 Suburban South Waste Management Landfill – Glenford, OH.

Municipal solid waste (MSW) landfills can accept municipal solid waste as well as all other solid waste and exempt wastes (e.g. spent nontoxic foundry sand, nontoxic fly ash and bottom ash, and construction and demolition debris).

MSW landfills cannot accept hazardous waste, regulated PCB wastes, bulk liquids or wastes containing free liquids, untreated infectious waste from a large generator, scrap tires or yard waste.

The Ohio Environmental Protection Agency (OEPA), in accordance with Ohio Revised Codes (ORC) and Ohio Administrative Codes (OAC), help engineer construction, monitor activities for compliance, and ensure environmental and public health protections are in place for healthy operations.

The Perry County Health Department (PCHD) is an Approved District through the OEPA and assists the OEPA at the local level with monitoring and compliance, and licensing.
